DESIGNER

Anita Schmidt

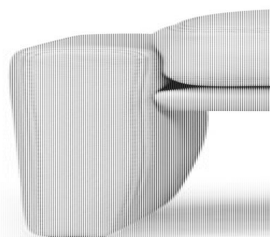

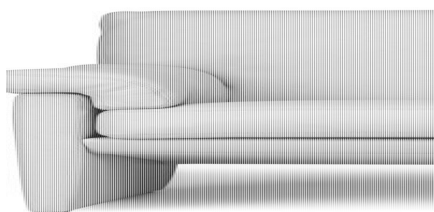

Anita Schmidt, the internationally renowned furniture designer, has been working with Durllet since its inception in 1966 – now already with the third generation within the firm.

BESCHRIJVING

Olinda is available in a low back and a high back with integrated headrest. It is also available with a slide adjustable back. Ideally it is used with the accompanying ottoman. It comes as standard with webbed seat and back supports, and visible double stitching. A headrest is optional.
