DESIGNER

Frans Schrofer

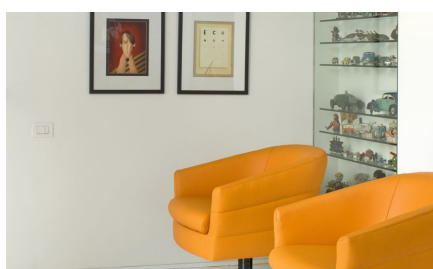

Designer, Frans Schrofer, was born in the Netherlands and comes from a long line of artists, craftsmen and teachers spanning many generations. A childhood fascination with cars and motor racing led Frans to an early basic education in electrical and mechanical engineering, and auto mechanics. In 1983 he graduated from the Design Academy Eindhoven and in 1984, he established his design firm, Studio Schrofer.

BESCHRIJVING

On the one hand, its curved shape is pleasing and inviting, while on the other hand, the chair is dynamic and offers depth thanks to the slanted backrest. The stitch lines on the exterior of the chair add a finishing touch as well as the beautifully designed, black chromed metal cross base on which the swivel chair rests.
